What Our Clients Have To Say...

"Best experience with The Style Collective. Absolutely impeccable taste with high quality pieces. Emily knows exactly how to enhance any space and make it look incredible. Fantastic to work with and we will definitely be using them again! Thank you for raising the bar in property staging!" **Worcester Street, Christchurch**

"Emily transformed our home at short notice into a beautiful space with her stylish and contemporary flair. Her communications and service levels have been excellent." **Penruddock Rise, Westmorland**

"We used The Style Collective on recommendation from our builder, who has used them in the past. I got my real estate agent to meet Emily, and my agent came back very happy with the proposed full house staging.

Emily was really easy to deal with, totally professional, and also very flexible in terms of me moving dates quite a few times. The staging itself looks amazing. I'd never sell a house again without having it fully staged, it makes such a difference. Nothing was a problem, everything was easy and low fuss." **Ridgeway Place, Richmond Hill**
